

TEACHING PARTICIPATION FORM
Submit to Student Services When Completed

Students in the PhD Program in Rehabilitation Science are expected to participate in the teaching of at least one course (Handbook of the PhD Program in Rehabilitation Sciences). This requirement can be met by teaching the equivalent of at least a one-credit course (15 hours of contact) while enrolled as a PhD student. The Academic Advisor of the student is responsible for ensuring that this requirement is met and for certifying this by filling out and submitting this form.

Student's Name: _____
